Subject: R8 OCPI Director Visit

Hey Joe,

As you know, Andrew Mutter, R8 OCPI Director, and Chris Wardell, Acting Program Manager for Public Affairs and Community Involvement, are going to be traveling from Denver to visit Montana the week of June 12. As a part of their schedule, they would like to visit some Montana Superfund sites and meet some community folks along the way. They are staying in Helena Sun 6/11 – Tue 6/13 nights, in Missoula on Wed 6/14 night; and in Helena again on Thu 6/15 night. On Fri 6/16 they travel to Bozeman and fly out.

They asked me to recommend an itinerary for their stay in MT. Here is a first stab:

- **Sunday:** Arrive Bozeman, travel to Helena.
- **Monday:** Visit the office, sit in on congressional briefings, MT office staff meeting with Betsy S., E. Helena Site tour
- **Tuesday:** Travel to Butte for Superfund Manager's meeting and Site tour. Travel back to Helena.
- **Wednesday:** Travel to Butte for community meetings. Visit MT Post and Pole. Travel to Anaconda for site tour. Travel to Missoula and visit Clark Fork River, Milltown, and Smurfit sites along the way. Stay in Missoula.
- **Thursday:**
 - Option 1: Travel to Columbia Falls and visit the BN Somers and CFAC sites. Travel back to Helena via the Swan Valley.
 - Option 2: Community meetings in Missoula/Frenchtown. Quality time at Milltown, Smurfit sites. Travel to Superior and visit Flat Creek site. Travel back to Helena via I-90.
- **Friday:** Travel to Bozeman, fly to Denver

I am cc'ing the RPMs to see if anyone is interested/available to meet with them during their trip or if they have other ideas/opportunities. I think their schedule can be flexible.

I touch base with you before making any recommendations. Thanks.
